IN ORDER TO WIND UP AN ESTATE I am instructed to sell a heavily-timbored James River plantation of 1,992 acres, eight miles from Richmond, bounded by the village of Bon Air on the south and the river opposite Wosthampton on the north This is good farming land, with about 200 acres of low grounds, dwellings, barns, orchard, etc. On account of its location, elevation, shade and water it is unsurpassed for country homes. Two miles of riparian rights, where the rivgr has a fall of about eighteen feet, will eventually bring more than the cost of the property. The timber is estimated to cut between 4,000,000 and 5,000,000 feet of lumber, about 15,000 to 20,000 cords of wood, besides poplar wood and railroad ties; in fact, the timber alone will hay for the property. If you want a good investment take this, Price, \$30,000, A. I. ADAMSON, Manchester, Va.
